Subject: FY19 WESTAR Contribution(s)

Hi Shika,

I am consolidating amounts for EPA's grant to the Western States Air Resources Council (WESTAR). For this grant, each member state must confirm contributions for dues, ad hoc travel, and any funding towards the Regional Haze project that your Agency may or may not be talking about with Mary Uhl, WESTAR's Executive Director. Please consult with the appropriate people in your Agency and respond to the questions below as soon as possible.

- 1) Please confirm if ARB concurs with the WESTAR dues amount of \$86,216.
- 2) Does ARB want CAA 105 funds taken off the top and provided to WESTAR for travel, and if so, how much?
- 3) Does ARB intend to contribute to the Regional Haze special project? If so, what amount?

If ARB concurs with the dues amount of \$86,216 for the extra operating funds and any other contributions (In FY18, ARB provided \$100,000 for Regional Haze and no additional funds for travel), please let me know. I can reduce the contributions from your remaining FY19 base grant amount before the final portion is awarded.

Thanks!

- Angie
